Press representatives (with appropriate proof/order) will receive **one press ticket per Ruhrtriennale 2024 event, subject to availability**. Please save the accreditation form and mark the events you are interested in by clicking on them in the PDF file. Send your binding request by e-mail to presse@ruhrtriennale.de. Please allow us some time for your feedback. You will receive your ticket for the respective event during the festival on site at the press counter. The press counter usually opens 75 minutes before the start of the event. Please pick up your ticket on the day of the event at the latest 30 minutes before the event begins. Please do not hesitate to contact us in advance if you need barrier-free seating, which is available in almost all venues and events.

It is possible to register for one companion ticket in addition to the press ticket, subject to availability. The companion ticket is only valid in conjunction with the accredited press representative and usually costs € 15 per event. For this purpose, please additionally mark the option “companion ticket” for the respective event next to your event selection. We kindly point out that requests from press representatives have priority in the accreditation process. We therefore recommend checking the regular ticket service to ensure that your companion can attend the event. You will find information on this at www.ruhrtriennale.de/en/tickets.

The English press kit about the programme of the Ruhrtriennale 2024 is available for download in the press section of the Ruhrtriennale homepage at www.ruhrtriennale.de/en/presse. To plan your visit, we recommend the [programme calendar](#). Here you can filter the programme by date or production. We will be happy to support you in planning further visit combinations and options.
